Mike Hughes is returning for his fourth season as the director of our SPLIT program. He has been an integral part of Summer Place for the past 13 seasons. He served first as a counselor, and then as a unit leader for six years. He is a high school English teacher in Hartford and was a varsity track and field coach while working in Canton. Ashley Pease will return again for her eighth Summer Place season working with the SPLIT program. In addition, college-age counselors experienced in working with older campers are assigned to the program. A staff medical team includes an on-site registered nurse and an on-call physician.

Campers participate in a Red Cross Aquatic Leadership program and work toward—or become certified as—a water safety instructor aide. SPLIT campers work with the Summer Place lifeguards during the Kinderplace swim lessons, providing individualized lessons to our youngest swimmers.

## OFF-CAMPUS TRIPS

Summer Place offers bus transportation on two separate routes, with a total of eight stops at convenient locations throughout Greater Hartford. We also provide door-to-door bus service on three separate routes to West Hartford residents. Every effort is made to ensure a safe ride and to minimize the amount of time spent on the bus. Summer Place counselors supervise the campers on each bus.

### THE SPLIT CHALLENGE

SPLIT (Summer Place Leaders in Training) is a two-week program for students entering grades 10 and 11. The program focuses on leadership and character development, community service, and job application and interview strategies. Participants gain hands-on experience working with Summer Place, Li’l Place, and Kinderplace campers. Each of the SPLIT two-week sessions is built around a different curriculum, and campers leave the program with a greater sense of responsibility and competency, a strong work ethic, and more confidence in their decision-making and problem-solving abilities.

### SUMMER PLACE LEADERS IN TRAINING

Each session, organizers plan an off-campus trip that encourages campers to step outside of their comfort zones and open themselves up to new and varied experiences. In past summers, campers went dragon boating on the Connecticut River, hiking to Heublein Tower, and climbing at the Riverfront Adventure challenge course. The tentative 2017 schedule includes a trip to Six Flags New England during Session I, a trip to Hammonasset State Park beach in Session II, and a visit to Brownstone Quarry in Portland during Session III. (Please note that these are subject to change.) In addition, trips are planned for high- and low-ropes activities, and numerous off-campus community service projects.

### BUS SERVICE

Studies have shown that transportation is the main reason campers are unable to participate in camp programs. Summer Place offers convenient transportation for all participants.
