

# GRADES ONE AND TWO COURSE WORKSHEET

First- and second-grade campers select a schedule consisting of two enrichment courses in the morning and three recreational activities in the afternoon. (Grade 1-2 campers with early dismissal participate in two recreational activities, and are dismissed at the Popsicle break.) All three-session schedules are listed below. Please refer to the brochure for descriptions of the enrichment courses and recreational activities.

**Important Registration Information:** When completing the registration form, indicate first and second choices. Please remember that the grade-level designation refers to the grade the child will enter in the fall.

## MORNING ENRICHMENT COURSES

First- and second-graders are grouped separately from third- and fourth-graders in their enrichment courses. Campers may not repeat an enrichment course in either the same or a different session.

## AFTERNOON RECREATIONAL ACTIVITIES

First- through fourth-graders generally participate in recreational activities together.

**Please Note:** The Sport Pals option (an all-afternoon activity that includes swim lessons) is only for first- and second-graders. Whole Group Activities include organized games like relay races, tag games, and asteroids.

Only one swim class (lessons or recreational) may be taken per session. Recreational activity choices may not be repeated in the same session. Campers attending more than one session may repeat the same recreational activity in a different session.

**Please Note:** The grade-level designation refers to the grade the child will enter in fall 2020.
